**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

It is hard enough to get by being a lower middle class worker without internet price increases. Children need access to internet these days just to do their homework. It is not a luxury, it is a necessity. Please do not do anything that will raise prices. Please consider the persons just barely getting by. Please!
